Meeting Protocols

This table is based on consensus, which follows traditional Secwépemc protocols.

We are inclusive; all members are given equal opportunity to participate.

We are collaborative; we work towards a common goal.

Take yourself lightly.

This is a safe space.

We empower one another.

We believe in equality.

We practice efficiency.

We create balance.

We are flexible with creative thinking.

Everyone has a voice.

We practice respectful discussions.

We are cognizant of how we speak.

One person speaks at a time.

Be present, to avoid repeating ourselves.

We would like:

A clearly defined role for the Tqwlutmens re S7elkst (Chairperson)

A strong technical team to support the Tqwlutmens re S7elkst (Chairperson)

A pre-defined agenda

Discussion guidelines / order, and a speaker's lineup

We would like:

Clarity on how we act within our processes

Established outcomes

To remain on topic and productive

Assigned tasks to be carried out

Traditional Communication

Speaking Your Truth
